

JASPER GATES RESORT & RV PET POLICY AND WAIVER FORM

FOR MOTEL AND CABIN STAY ONLY:

- All pets must be registered with the Jasper Gates Front Desk at check in. We will charge \$50/pet for unregistered pets in motel rooms or cabins.
- A non-refundable \$25.00/pet cleaning charge per stay will be applied to guest account. For any damage to furniture and fixtures by the pet(s) that exceed \$25, the hotel will assess losses and charge accordingly. The decision to clean, repair or replace items, resides solely with Jasper Gates Resort and RV.
- Pets accommodated in our Motel and Cabins are restricted to domestic cats and dogs only.
- Maximum 2 pets per room, more than 2 must be approved by Management.
- Long term stays with a pet/pets must be approved by Management and may have an extra deep clean charge of \$50.
- Pets, including service dogs, may not be left in the room unattended, unless left within a kennel and only if the pet does not create noise disturbances to surrounding guest rooms.
- Pets may feed in guestrooms with reasonable care taken to restrict staining or other damage.
- All pets must be leashed or confined to kennels while in any public area.
- In the absence of the guest, Jasper Gates Resort & RV is not responsible for the care of any pet(s) and waives any liability without exception. If the hotel receives a noise complaint and the animal does not pose a threat to anyone, the pet will be relocated to a secure and comfortable area on the Jasper Gates Property until the guest returns. A \$50/hr charge will be applied to supervise the pet(s) in the guests' absence. If your pet poses a threat to anyone, animal control will be called.
- Additionally, in the event that there are continuous noise complaints, the guest may be relocated to another room and/or asked to leave the hotel (with no refund). This decision will be made by the Management of Jasper Gates Resort & RV.
- Jasper Gates Resort & RV reserves the right to refuse service to a room if the pet(s) is deemed too aggressive in nature and/or the hotel's staff is not comfortable in the presence of the pet(s). In such instances, special arrangements can be made to service the room at a predetermined time.
- Pets are not allowed inside our rental rvs and will have an extra \$250 charge for deep clean.
